OWN THE COURT

K-Swiss was founded in 1966 by two Swiss brothers who ventured to sunny southern California where they introduced one of the first all leather tennis shoes. As avid skiers they drew inspiration from leather ski boots to create the K-Swiss "Classic."

Both tennis and skiing share the need for innovative, high-performing, comfortable footwear, and for 57 years, K-Swiss has continually pushed the boundaries of performance-driving constant innovation.

PADEL COLLECTION
K-SWISS LAUNCH IN JULY 2023
PADEL

FOOTWEAR TECHNOLOGY

Based in its global headquarters in Los Angeles, California, the K-Swiss product and design team takes pride in making comfortable, high quality, innovative tennis footwear. We take insights from consumers and our athletes and translate this into the products we design and bring to market which has helped us become one of the leading performance tennis brands in the world today.

180 PSC

PLANTAR SUPPORT CHASSIS

180 PSC PLANTAR

A 180 degree thermal plastic Plantar Support Chassis that enhances mid-foot stability.

DRAGGUARD™

DRAGGUARD

Located in the high wear areas of the toe and heel offering increased abrasion-resistance.

durawrap

DURAWRAP

Provides an extra line of defense against excessive toe-dragging.

HEEL GRIP LINING

HEEL GRIP LINING

Made of interlocking fibers that grip the sock to minimize heel slippage.

SLIDEGUARD

SLIDEGUARD

A TPU film patch backed with material to reinforce the lateral forefoot when making cutting or sliding motions.

SHOCK SPRING

Soft inner foam providing high energy return and shock absorption.

360 PSC

PLANTAR SUPPORT CHASSIS

360 PSC PLANTAR

A 360 degree thermal plastic Plantar Support Chassis that enhances mid-foot and heel stability.

DRAGGUARD™

DRAGGUARD 7.0

Located in the high wear areas of the toe and heel offering elevated outsole durability.

durawrap^{flex}

DURAWRAP Flex

A durable, yet light material that provides protection and flex so there is no break-in period.

K-EVA

K-EVA

Special formula EVA to provide maximized cushioning and enhance durability of the midsole.

SURGE⁺

SURGE

Dual-Density premium cushioning system, Shock Spring + Surgelite.

STAY-TIED LACES

STAY-TIED LACES

Acts as a "catch" to keep the laces tied.

AÖSTA II

RUBBER COMPOUND

AÖSTA® II RUBBER COMPOUND

High-density outsole provides unsurpassed durability from heel-to-toe.

DRI-LEX

DRI-LEX

Lining with Aegis treatment wicks away moisture to keep your feet dry.

durawrap^{LIGHT}

DURAWRAP LIGHT

A durable, yet lightweight material used to add durability to the upper in strategic wear areas.

ortholite

ORTHOLITE

Moisture-management with anti-microbial properties to keep feet cool and minimize the effects of perspiration.

surge⁺ 7.0

SURGE 7.0

Lightweight premium cushioning system providing maximum energy return.

AÖSTA 70

RUBBER COMPOUND

AÖSTA 7.0 RUBBER COMPOUND

High-density outsole provides unsurpassed durability from heel-to-toe.

DuraMesh

DURAMESH

A breathable mesh with inserted TPU yarn is durable and reinforced in the mid-foot area for added support.

Flow Cool SYSTEM 2.0

FLOW COOL SYSTEM 2.0

Enhances breathability and moisture management from heel-to-toe to keep feet cool and dry.

seamfree™

SEAMFREE™

A state-of-the-art heat welded seamless upper construction that bonds layers of synthetic suede and TPU onto tech mesh without stitching.

surgelite

SURGELITE

Lightweight, flexible, and durable cushioning technology for maximum comfort.

Express Light 3 HB Padel NEW COLOR

SIZES: 4-8

Express Light 3 HB Padel is a lightweight padel shoe designed for on-court performance and a great level of comfort. The upper features DuraWrap Flex, a newly designed molded RPU cage that provides flexible support and drag protection. On the inside, a well-padded ankle collar provides comfort and stability while a die-cut foam sock liner adds responsive cushioning underfoot. The Express Light 3 has HB outsole featuring deeply grooved herringbone patterns for exceptional traction on indoor/outdoor padel court surfaces.

Express Light 3

SIZES: 3-8

Express Light 3 is a lightweight tennis shoe designed for on-court performance and a great level of comfort. As the updated model of its successful predecessor, the upper features DuraWrap Flex, a newly designed molded RPU cage that provides flexible support and drag protection. On the inside, a well-padded ankle collar provides comfort and stability while a die-cut foam sock liner adds responsive cushioning underfoot. The Express Light 3's outsole is made with K-Swiss' signature Aosta 7.0 high-density rubber and features a deep herringbone tread, creating a tennis shoe specifically designed for unsurpassed durability and performance on all courts.
